

## PRICE LIST

For paid medical services rendered HI "Uzda CDH" citizens of the  
Republic of Belarus

### Beam diagnostics

| № positions | The name paid medical services  | Unit      | Rate (Br.) | The cost of the materials used (Br.) | The cost service |
|-------------|---|-----------|------------|--------------------------------------|------------------|
| 1.1         | <b>X-ray examination</b>  |           |            |                                      |                  |
| 1.1.1.2.1   | Radiography (review) thoracic cavity in one projection                      | the study | 2br79k     |                                      | 2br79k           |
| 1.1.1.2.2   | Radiography (review) thoracic cavity in two projections                     | the study | 4br19k     |                                      | 4br19k           |
| 1.1.1.3.1   | Linear tomography: first the  | the study | 4br19k     |                                      | 4br19k           |
| 1.1.1.3.2   | Linear tomography: each the   | the study | 2br79k     |                                      | 2br79k           |
| 1.1.1.4     | Radiography of heart with contrastirovania esophagus                        | the study | 4br19k     |                                      | 4br19k           |
| 1.1.1.7.1   | Preventive fluorography in one projection                                   | the study | 1br27k     |                                      | 1br27k           |
| 1.1.1.8.1   | Fluorography diagnostic in one projection                                   | the study | 1br67k     |                                      | 1br67k           |
| 1.1.1.8.2   | Fluorography diagnostic in two projections                                  | the study | 2br51k     |                                      | 2br51k           |
| 1.1.2.3     | Radiography (review) abdominal  | the study | 4br19k     |                                      | 4br19k           |
| 1.1.2.4     | Independent roentgenoscopy and roentgenography of the esophagus             | the study | 2br79k     |                                      | 2br79k           |
| 1.1.2.5     | Fluoroscopy and radiography of the stomach according to traditional methods | the study | 5br57k     |                                      | 5br57k           |
| 1.1.2.12    | Barium enema double-contrast  | the study | 19br11k    |                                      | 19br11k          |
| 1.1.3.1.1   | Radiography of the spine: in one projection                                 | the study | 2br79k     |                                      | 2br79k           |

|           |  |           |        |        |        |
|-----------|--|-----------|--------|--------|--------|
| 1.1.3.1.2 | Radiography of the spine in two projections                            | the study | 4br19k |        | 4br19k |
| 1.1.3.2.1 | Radiography of the peripheral parts of the skeleton: in one projection | the study | 2br79k |        | 2br79k |
| 1.1.3.2.2 | Radiography of the peripheral parts of the skeleton: two views         | the study | 4br19k |        | 4br19k |
| 1.1.3.3.1 | Radiography of the skull: in one projection                            | the study | 2br79k |        | 2br79k |
| 1.1.3.3.2 | Radiography of the skull: two views                                    | the study | 4br19k |        | 4br19k |
| 1.1.3.4   | Radiography of the paranasal sinuses                                   | the study | 2br79k |        | 2br79k |
| 1.1.3.5   | Radiography of the temporomandibular joint                             | the study | 4br19k |        | 4br19k |
| 1.1.3.6   | Radiography of the mandible  | the study | 4br19k |        | 4br19k |
| 1.1.3.7   | Radiography of the nasal bones   | the study | 2br79k |        | 2br79k |
| 1.1.3.8   | X-rays of teeth  | the study | 1br89k | 0br41k | 2br30l |
| 1.1.3.10  | Radiography of the temporal bone                                       | the study | 4br19k |        | 4br19k |
| 1.1.3.11  | Radiography of the clavicle  | the study | 2br79k |        | 2br79k |
| 1.1.3.12  | X-ray shovels in two projections                                       | the study | 4br19k |        | 4br19k |
| 1.1.3.13  | Radiography of ribs  | the study | 4br19k |        | 4br19k |
| 1.1.3.14  | Radiography of the sternum   | the study | 6br97k |        | 6br97k |
| 1.1.3.17  | Radiography of pelvic bones  | the study | 2br79k |        | 2br79k |
| 1.1.3.20  | Each subsequent picture in special projections                         | the study | 1br40k |        | 1br40k |

Note: prices do not include the cost of materials and supplies needed for procedures. Supplies are paid additionally on the basis of the approval of consumption norms for the provision of services at current prices.
